THE ANNUAL YEARBOOK OF THE

**STUDENTS OF
WEST HIGH SCHOOL**

Denver, Colorado

NINETEEN HUNDRED FIFTY-THREE

FOREWORD

HURRY! HURRY! HURRY! INTO THE GRANDSTAND

We take great pleasure in presenting our edition of the PARADE OF '53—the unforgettable performance of this school year.

We have compared our school life with that of the busy circus life. LIKE SCHOOL, the circus has a proud history: George Washington attended Rickett's Circus, April 22, 1793, at Philadelphia, and since the earliest of days, the circus has become an American custom which has been passed down from generation to generation to be enjoyed by young and old alike.

LIKE SCHOOL, the circus requires the combined skills of different personalities, accuracies, knowledges, and last, but not least, "teamwork." Without "teamwork" the tent would not go up, and the show would not go on. Circus people, just like students, are a blend of competition and co-operation—ready to pull together when the time comes—ready to put to good use all that has been learned in order to realize the importance of working together—"the feeling of belonging." Each skill, each personality is put into each performance, and that is why there is always something different to see at the circus, and in school. That is why every performer, and every student, has a part to play in the role of the circus or within the school.

LIKE THE SCHOOL has classes, the circus has rings. Each performer has his chance to "shine." He has taken a combination of his skills and blended them carefully with the personalities of his audience. When his performance is completed he is greeted by an "A." Showmanship, precision, and simple mechanics are blended into a successful production.

That is what we term success created by "teamwork" and pulling together. We sincerely hope, as you thumb through this annual, you will remember that whether you are a student, faculty member, or parent, this performance owes a lot to you, and will never be forgotten by us. It has been our "GREATEST SHOW ON EARTH IN 1953."

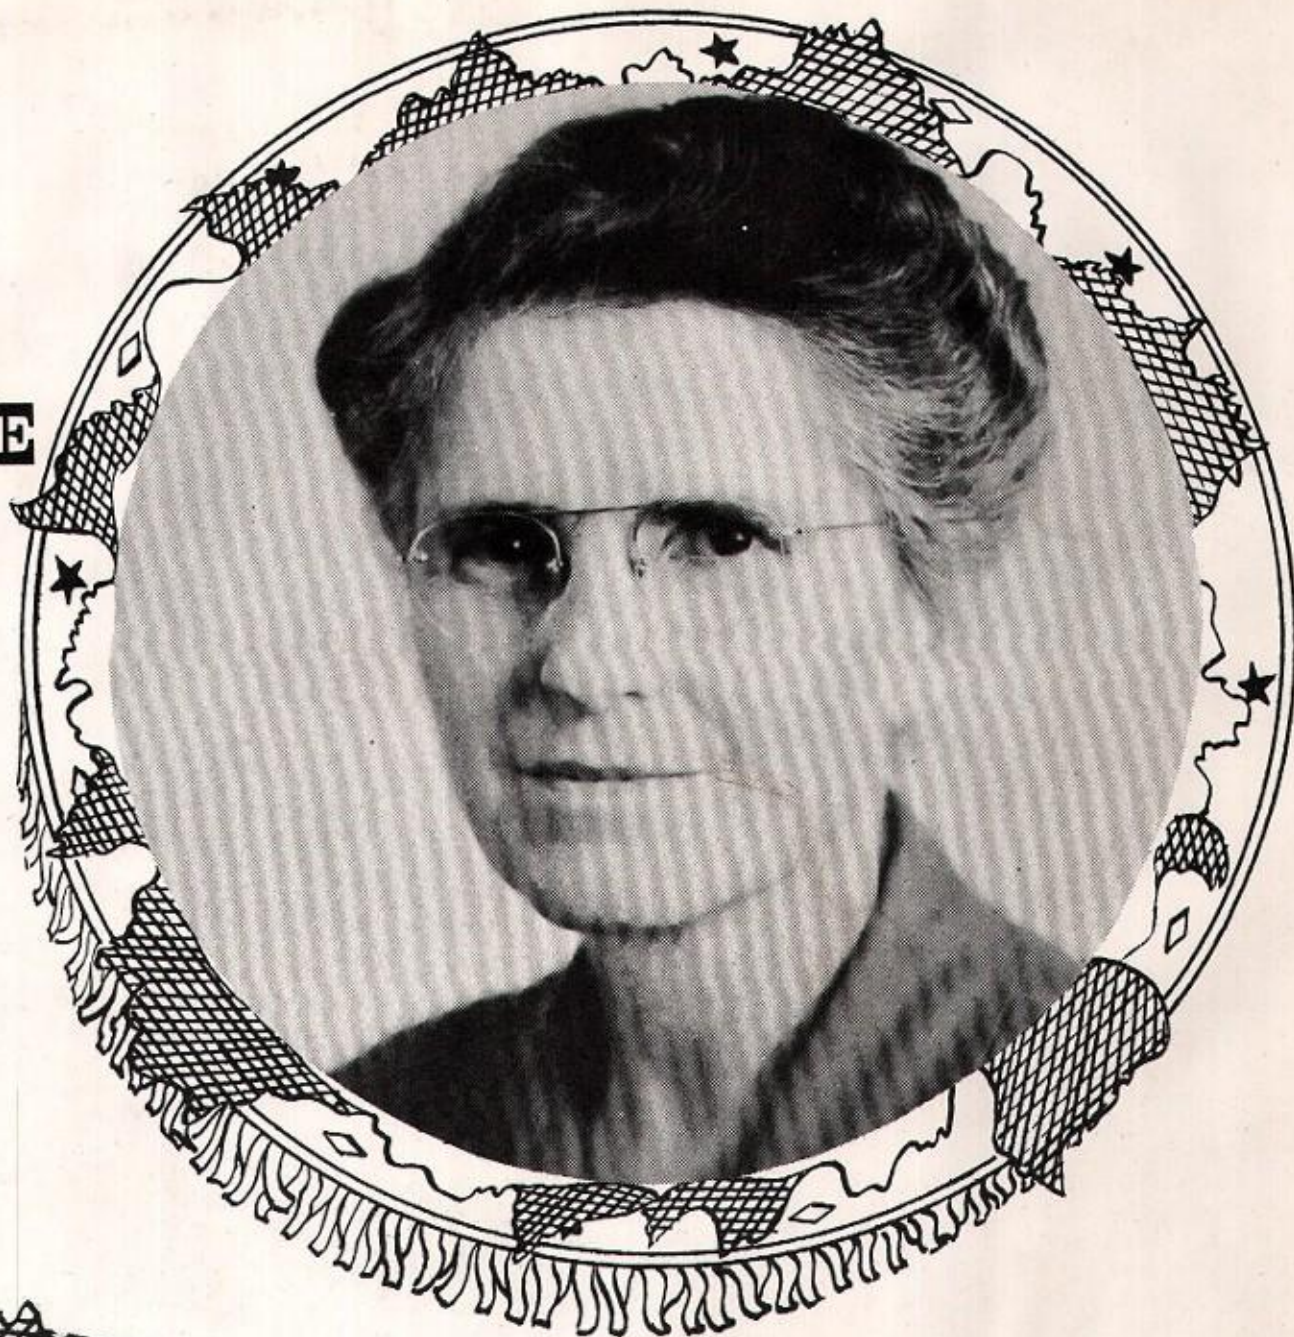

Now—"Your Attention—PLEASE"

"Our Dedication"
TO
MISS
MARY
DODDS**

We have dedicated our PARADE OF '53 to you, Miss Mary Dodds, because you have played an unforgettable part in our great show. You have worked "behind the scenes" in such an efficient, inconspicuous manner, that we seldom knew of your activities, until the project was completed—of course, it was to perfection!

You have been chairman of many committees, and activities, during your years at West High School—too numerous to mention. However, you were never too busy to undertake a new assignment. One of your greatest duties was in keeping accurate records of graduation credits for all Senior girls.

You have followed in the footsteps of your father, who was a well-known educator, and later a popular elementary school principal.

You have done more for us than we can fully realize.

Miss Mary Dodds, how can we ever thank such a wonderful, modest, unassuming personality for this great performance?

With heartfelt gratitude may we say

**THANK YOU FOR YOUR OUT-
STANDING PERFORMANCE.**

**THE WESTWARD-HO
OF 1953
IS DEDICATED
TO YOU,
WITH GRATITUDE
FOR YOUR
LOYALTY,
PATIENCE,
AND INTEREST.**

more years to go.
I have so much
fun with you and
Pat I like you so
well I can't find
words to express
the way I feel about you.
You're friendship has
meant so much to me

MR. EDWARD I. WATSON

To you, Mr. Edward Watson, it is hard to express thanks. You have been a part of this show for twenty-six years. You came to this tent from Old West, and have faithfully taught math and physics. Also you were responsible for sponsoring many of our school projects.

Mr. Watson, you have left school twice during your career — once for government service, and again during World War II to serve in the Submarine Command.

Now you have gone to Morena Lake, California, to rest, and to be your own Ringmaster.

Thanks again, **ENERGETIC TROOPER**, for taking such a prominent part in our great show.

Miss Olivia Brinker, we offer you a sincere, hearty thanks, for forty-four years of instructing.

You have been part of our show since 1932, during which time you were sponsor of West's 1941 graduating class, and coordinator of the General Education program, when it first started. You assisted us in many of our activities.

You began your career in country schools, such as the tiny mining settlement of Camp Berwin, Colorado, where you served as principal over one hundred pupils. You have spent forty years of your teaching in Denver alone.

Thanks to you, **BELOVED TROOPER**, for helping us realize a successful show.

BELOVED TROOPER

MISS OLIVIA BRINKER

GREAT TROOPER

MR. ERNEST ROSSI

Mr. Ernest Rossi, words can never express our feelings for you.

You have been a coach, within our show, for nine years. Now, by choice, you have transferred to Merrill Junior High School.

You have helped us rise, watched us fall, with your familiar expression, "Hustle boys." We have seen you in pride, and in discouragement, just as we have seen you complete a great performance here at West High School.

Summing it up, "Coach," you are part of us — a memory of an understanding heart. To a **GREAT TROOPER**, "Thanks so very, very much!"

ALUMNI AWARDS

The alumni of West High School have the distinction of belonging to the largest high school alumni association west of the Mississippi.

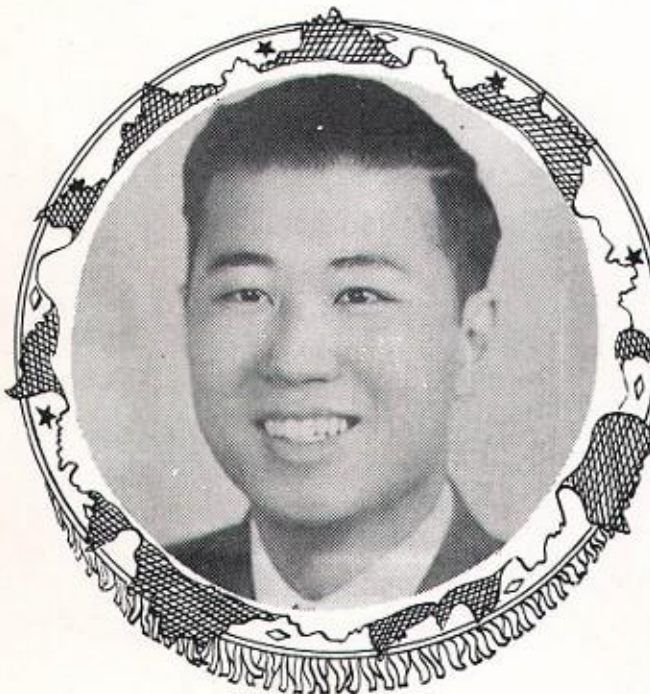

The first class graduated from West High in 1884, and held a class reunion in 1886. From this simple beginning the present alumni association was formed. Since that time it has constantly grown in size, since each member of the graduating class is automatically a member.

Each year the West High alumni hold a reunion, when they elect the officers who will serve for the next year, and present awards to the outstanding members of the graduating class.

The Alumni Association proudly welcomes the

CLASS OF '53,

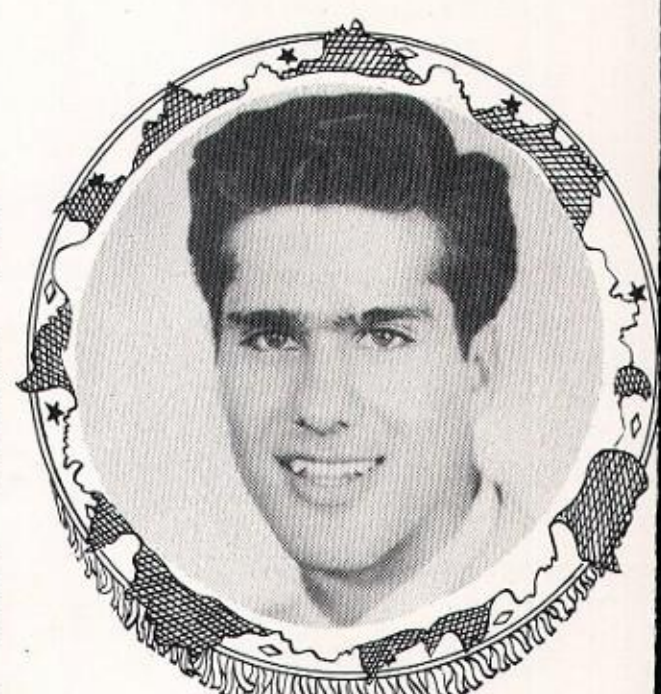

and takes pleasure in presenting awards to the seniors on this page.

As we eagerly parade
along our busy way,
An attractive concession
beckons us to stay.
A gypsy lass has
some fortunes to tell,
They say her "GOLDEN

Tell us, fair gypsy,
just what do you see,
Within the "Senior

Remember, this is the age
of "boogie and swing,"
So read accordingly from

BIG TOP SPORTS REVIEW--1952-53

BASEBALL '52

The final games of the Baseball season were played Tuesday, May 20. In the finals North High claimed second spot in the city standings, and Manual dropped into third place. All other positions were determined the weeks before as follows: the East Angels, champions; South Rebels, fourth place; and the Cowboys in last. Statistics show East to have won seven games while losing one; North supporting a five-three record; Manual a won four lost four score; South a three won five lost season; and West seven setbacks to one victory. Les Bannon, Cowboy pitcher, pitched most of the games. The team was well supported by good players such as Marvin Vette, Punk Thomas, Teddy Ortega—all good hitters. Jerry Mrazek, Reynolds Ramirez—good pitchers, and LeRoy Quintana played good ball for the first year out. Marvin Vette and Les Bannon were elected Co-Captains.

TRACK '52

The Cindermen from the Cherry Creek School gave their best performance in many years during the season. They set a new record for West by scoring in the Colorado University Relays Meet, held early in the spring, with the medley relay team composed of Leon Long, Dean Girardot, Jack Crandell, and Ray Korell. Dean Girardot took the All-City position in the 880-yard sprint. Dean was one of the fastest runners ever to come out of the halls of West. Leon Long proved to be a great asset to the team, and it was most unfortunate when he was out of condition for the Color Day meet with a sprained ankle. Before the injury he was winning the blue ribbon honors in the 100-yard dash, the broad jump, the 220-yard run, and the relays. West lost all of the league meets, but still they put on their best show in the last decade. A rainy season hindered many possibilities—the team swam through the swirling water which was swishing the cinders around their feet. Final scores were: Rebels scored $81\frac{1}{2}$ while East collected $35\frac{1}{10}$ for runnerup honors. Manual was third with $22\frac{1}{2}$, North fourth with $9\frac{1}{2}$, and West last with $6\frac{1}{2}$. Dean Girardot was elected Captain, and Leon Long was elected Co-Captain.

GOLF

The "Clubbin' Cowpokes," of Coach Santi, headed by Co-Captains Glenn Baxstrom and Jack Loechel, came through the city golf season in fine form to take third in the league. The official standings were: East, South, West, North, and Manual. Five returning lettermen helped alleviate the problems encountered, and next year three of these, Ronnie Akes, Phillip Hahn, and Harry Martin, will again try to put West higher on next year's standings.

TENNIS

With only one letterman, Fred Crook, returning to a squad composed primarily of lower classmen, the Tennis team found naught but rough sledding in store for them. Coach Santi looks ahead, however, and says he hopes these boys will provide the keen opposition necessary for a successful season next year. The final line-up for this series was: East, South, North, Manual, and West. The outstanding men chosen as Co-Captains were Fred Crook, the returning letterman, and Ernie Rice.

VARSITY FOOTBALL

A thrilling, chilling, bone-splintering Varsity Football season wound up November 15, with the last game cancelled with East by a bounteous blanket of snow. The standings at that time stood as follows: East in first place with a seven win, no loss record; North close behind showing five wins and three losses; a determined Rebel team with a threatening four win, three loss record; a spirited Cowboy eleven having one win, five losses, and a tie to their credit; and finally the Bricklayers losing six and tying one. The fighting Cowboys, hampered continually, but not held down, by their many injuries, kept the entire league on its toes trying to hold them down. By a supreme effort, and with tremendous school spirit to back them, the Pokes finally got their heads above water in their next to the last game by trimming Manual thirteen to seven. Rich Kinnie, outstanding guard, and Jim Hopkins, impressive tackle, represented the Pokes in fine style on the All-City teams. Also worth keeping an eye on for next year's team is Sophomore Al Krutsch, who did a fine job in the backfield. Jim Hopkins and Punk Thomas were selected Co-Captains for the season.

SOPHOMORE FOOTBALL

October 22 marked the end of the Sophomore gridiron activities for another year. The Angels copped the championship, while North, South, Manual, and West followed in that order. Carl Miller and Gary Bowlin were elected Sophomore Co-Captains.

SWIMMING

West's swimming team started the 1952 swimming season with a serious handicap. The regularly scheduled pool at Morey Junior High School had been closed because of a collapsed ceiling. Therefore, the team has been inactive this year under the coaching of Ernie Rossi. Most of last year's lettermen had returned, and it was suggested that last year's Co-Captains, Leon Long and Jim Jackson, carry their titles over into this season.

WRESTLING

Saturday, February 14, saw the end of the prep mat season, with the finals of the City Championship taking place at West. The Vikings won their second straight Denver Public League prep wrestling championship, and became contenders for the State Championship. They won over the Cowboys by a mere five points. The final league standings were: North, West, South, East, and Manual. The Cowboys' "52"-53" season was the best for a long time. They lost only one match, which went to the city champs, North. A cheer for the following men who did the fine job: Garcia at 95, Torres at 103, Coupal at 112, Rodriguez at 120, Aboud at 127, Gay at 133, Goodwin at 138, Camacho at 145, Valdez at 154, Kinnie at 165, Hopkins at 175, heavyweight Marquez, and Cutshall for doing a swell job as alternate at 112. Special recognition goes to Kinnie and Torres in first places; Garcia, Coupal, Gay, Goodwin, Camacho, and Hopkins in second places in the city championship. These men will go to the state tournament. Rich Kinnie and David Torres were named for All-City. David Torres brought in All-State honors after an outstanding exhibition in the State Meet.

VARSITY BASKETBALL

The Cowboys' 1952-53 hoop season came to a close with the end of February, Saturday, the 28th, in the City Arena. After a very successful pre-season schedule, the Poke floor-work seemed to deteriorate as the season progressed. In the first game West dumped South, and failed to win another game until the next to the last tilt, putting West against the Vikings. The Angels lost supremacy for the first time in many moons by dropping one each to South and Manual, resulting in an East-Manual tie for first place. The Rebels occupy a lonely second place, while West and North finished tied for third. All the men did their best, and in the special recognition column were: Albert, Mallory, Thomas, Nuttall, Baxstrom, Reichert, Stephens, and Collins. Mallory did himself proud in the first round by holding top Prep scoring honors for a majority of the time. Receiving team honors at the close of the season were Punk Thomas and Bill Stephens elected as Co-Captains. All-City recognition went to Stan Albert, named by the Rocky Mountain News and the Denver Post. Albert, a Junior, the only Junior, on the ten-man team of the Denver Post, received a unanimous ballot. Honorable mention went to Paul Mallory, Carl Nuttall, Jack Reichert, Bill Stephens, Arlen Thomas, and Mike Collins.

SOPHOMORE BASKETBALL

Sophomore Basketball came to an end Thursday, March 5, after school, when the Cowboys defeated the Angels, 41 to 37. At the close of the season East held first place with seven wins, one loss; North in second with five wins, three losses; and West in third with four wins, four losses. South took fourth with three wins, five losses; and the Thunderbolts filled last place with a one win and a seven loss record. Of special interest during the season were the trim jobs West did on North by taking them, 63 to 44, and on East with their 41 to 37 upset at the end of the season. Outstanding on the Sophomore team were: Krutsch, DeJean, Loechel, Taylor, Blum, and Maynard. Al Krutsch and Ed DeJean received special honors by being elected Sophomore Co-Captains.

After-school sports offer four major activities to every girl at West each year; speedball, volleyball, softball, and basketball. Those who take part in any of these sports receive 100 points toward their awards. Individual sports tournaments are also sponsored in the department: table tennis, tennis, badminton, etc. Girls may earn ten points for each turn they remain in the tournament. Fifty points can be earned for taking part in minor sports for which West has no facilities—such as skiing, swimming, and horseback riding.
